HOW TO GET GOOD RESULTS

1

Insert the card & design inside the T-Shirt and position required.

2

Use a fine nib black / dark coloured shirt marker to trace the outline of the design

Tips

3

Fill in the design with with T-SHIRT MARKER

4

Remove the card form the T-Shirt. After the ink has dried, gently iron over the design at a medium heat to fix the colours

DYE STUFF INK

THE SHACHIHATA STORY

Shachihata started its business with stamp pads in 1925. Till that time, there was no concept of pre inked stamp pads. The user had to put ink in the pad and wait for the ink to seep in the pad and then start using it for stamping.

Shachihata is the innovator of the concept of "Inked stamp pads" and is a worldwide known brand for stamp pads.
