## SAFE + SIMPLE + SWISS

### Swiss innovation

Invented and patented the first all-in-one world adapter with country slider system in 2002. The World Adapter Classic promptly became a worldwide bestseller. Exports to over 60 countries confirmed that high-quality, multifunctional travel adapters that are both safe and compact attract tremendous international interest. The company is the global market leader for high-quality travel adapters.

### Using international standards as the basis for product development

**Safety** is always at the centre of the entire development and production process. The standards defined by the International Electrotechnical Commission (IEC) form the foundation for the development team to design innovative gadgets that give you access to power anywhere in the world. Extensive quality controls accompany every production phase, with final certification processes documenting each product's compliance with IEC standards.

### Simple charging – any time

Staying fully charged is simple – anywhere around the world, on all continents. The patented country slider system ensures connection in over 150 countries. At the same time, products remain the most compact and easy to use on the market. That is what makes unique. And this has already impressed not just millions of travellers, but many judging panels as well. Our products have won numerous Red Dot Design Awards and Product of the Year accolades, recognising both their functionality as well as their design.

### A global player from Switzerland

Today, Operates in over 100 countries around the world, successfully positioning itself as the market leader in the field of high-quality travel accessories. Our products are available from duty-free shops in all major airports around the world, from the in-flight shops of all the leading airlines and from private retail outlets.
