Ecridor:

Since the 1930s, the Ecridor writing instruments have been emblematic of the precious know-how of Caran d'Ache. Their sober and elegant hexagonal design is inspired by the shape of the pencils so dear to the Geneva-based company. The play of light and sparkle created by the perfect geometry of the symbols, so intense and inspiring, reflects the expertise of the master guillocheurs and polishers who give free rein to their talent. Whatever the metal covering the brass body and whatever the form (fountain pen, roller pen, ballpoint pen or mechanical pencil) and finely engraved pattern on the instrument, there is an Ecridor to inspire each and every one of you.

- Four writing instruments:
 - Fountain pen, roller pen, ballpoint pen, mechanical pencil
 - Silver, rhodium, palladium and gold-plated attributes
 - Flexible clip
 - Steel nib available in three distinct widths: F, M, B
- International lifetime guarantee
- Made in Switzerland

CARAN D'ACHE Luxury Line

For a century, Caran d'Ache collections have reflected the passion and the subtlety of fine writing. They are jewels of technology with inspired designs ; emblems of excellence enhanced by rare and noble materials.

Lacquered, guilloched or polished bodies feel superb in the hand ; rhodium-coated nibs or long-life tungsten ballpoints provide a great writing touch ; contemporary or classic designs create a seductive visual appeal.
